Purpose & Benefits of Learning Arabic

- The Holy Prophet^(sa) said: *“Love the Arabs for three reasons; because I am an Arab, the Holy Qur’an is in Arabic and the language in Paradise will be Arabic”.*
- Knowing Arabic helps one understand the Holy Qur’an much better than just reading the translation.
- Knowing Arabic helps to understand the words of Salat (Prayer) and delve deeper into it.
- The Promised Messiah (as) said, ***“If a person is unfamiliar with the Arabic language and is unaware of the methods of linguistic investigations, he is not even suitable to step in large and detailed (religious) debates, and (in this regard), his words will not be considered authentic... If a Muslim comes forward into the field of defending Islam from Christian attacks, he should remember that one of the greatest and most essential ordinances should be the knowledge of the Arabic language.”***
- In Canada, most universities include the choice of taking elective classes to learn basic Arabic to gain more credits, regardless of the program you choose to study. **You will already be taught this basic knowledge of Arabic through this course.**
